My dear Effa:

In defense of the things that were placed on the agenda for the forthcoming meeting in January; I thought it was in order to clear up all unfinished business and to start the year anew. And it was an oversight not to place the "election of officers" on the list.

In getting a new president it would be in order to have something for him to go by; instead of letting him draw up an entire new program without the league showing any active participation.

I have just made an appointment with Mr. Doles for Monday afternoon at 4:00 P. M. His address is 209 West 125th Street and his office is on the second floor. I'll meet you there at that time.

Very sincerely yours,

Curtis A. Leak
